

VR- Social Solutions ONLINE ACCELERATOR PACKAGE

Taking your agency's online presence to the next level.

Market like it's 2017 and dominate your area.

With the capability to market to specific age, occupation and income all within your area.

Build your business and brand with the leverage of social media.

Over 17 million active users on Facebook alone within Australia.

Have the certainty knowing that every dollar you spend on marketing is targeting your specific location and desired clientele.

Why is VR Social Solutions doing this?

We realised that most agencies are utilising old school marketing tactics that are no longer as effective as they used to be, they are over priced and timely.

What does the Online Accelerator Package do?

We grow your online presence using social media.

How does VR Social Solutions do this?

With our thorough understanding of digital marketing, we are able to utilise specific social media platforms such as Facebook and Instagram to market your business. FACT: Did you know that you can target specific age, occupation and income of the people within your area? So you can be in front of your ideal clientele 24/7/365.

What specifically do you do for our agency?

We target your ideal clientele utilising Facebook and Instagram ads, we post your content on Facebook and Instagram with specifically formulated tag lines and hashtags to maximise engagement, we interact and engage with the community on your behalf, we monitor and scale your ads to maximise exposure and minimise costs and we coach your agents on how to dominate their local area online and grow their personal brand.

How much does this cost?

Our Online Accelerator Package costs less than an untrained junior employee.

What if we don't want to?

We guarantee your competitors will. We feel sorry for you.

LET'S TAKE YOUR SOCIAL PRESENCE TO THE NEXT LEVEL
